São José dos Campos,
São Paulo - Brazil

```
const myName = 'Bruno Corrêa'
```

```
let myOccupation = 'Frontend Developer'
```

A true knowledge lover, I believe in the power of technology and education to change lives. Working with Web Development with emphasis on Frontend since 2020. Always concerned with the user experience alongside metrics and data for high-retention rates.

PROFESSIONAL EXPERIENCE

Jun 2021 - Currently { Remote - Brazil }

TechPark - Kukka Educação

Internship = Software Developer

As an intern in one of the TechPark's most prosperous startups, I'm building inovative learning platforms using HTML, CSS, JavaScript, PHP and Wordpress. These projects will impact thousands of students.

Aug 2020 - Apr 2021 { São José dos Campos, Brazil }

Inglês Smart

Graphic Designer

I lead UI/UX projects with Figma and Adobe XD on the school's platforms, as well as the design of the visual identity, audiovisual productions and teaching materials with Illustrator, Photoshop and Premiere Pro.
